Acacia Association Board of Directors Meeting December 12, 2023

The Board of Directors Meeting of December 12, 2023, was brought to order at 7:00 p.m. by President Joe Consolo

Directors in attendance were President Joe Consolo, Treas. Wayne Dubin, Secretary Melissa Allison, Directors Amy Eckert, Ben Boyd, Peggy Rose Kwiatek, Bill King, and Jen Cagney. Vice President Jen Cione. was late.

The Pledge of Allegiance was recited.

Motion to approve the minutes of November 14, 2023, Board of Directors Meeting. Amy Eckert Ben Boyd 8/0/1

Homeowner's Forum

Jack Brandush - 15 Deercrest

Jack asks if we as a community can ask that residents not tie their dogs outside unattended in front of their homes. His position is that it creates a safety hazard for other residents and potentially for the dog, too.

The Board thanks Jack for his suggestion and will discuss.

Elizabeth Sheil – 17 Deercrest

Can residents put bins out the night before garbage pickup?

The Board responds that bins might be ok if they are completely closed; pending discussion.

Lee Bowers – 2 Stonehearth

When are we going to have an exercise facility in the clubhouse? Universal machines, 2-3 treadmills, 2-3 bicycle machines.

The Board responds that this is impractical at this point as we have no available space for the equipment.

Rada Trajkov – 3 Nacona Lane

Is the board planning to update the playground, put more equipment for kids? This one is very unsafe for kids and outdated. Since we have more families with a kids in a neighborhoods, we should have better playground.

The Board responds that the playground was recently upgraded and would like to hear what Ms. Trajkov thinks needs to be replaced.

Diane Voyles - 49 Briarwood

Diane states that she senses that the Association rules are not being enforced in the community. She sees decks that are in disrepair, trash that is out too early. She believes there is no point in establishing rules if they won't be enforced.

Ben responds that all residents should feel free to say something if they see something so it can be addressed.

Expenses \$214,617

Capital Expense 0 None this month

Transfer to Capital \$6,000

NET INCOME \$-120,479

At the close of November there are 22 accounts past due for a total of \$8,886 due to missed assessment payments, late fees, and fines. None of our accounts are in attorney's hands.

Residents are encouraged to enroll in ACH – automatic payment – for monthly assessments. This avoids any chance of missed payments and late fees. Currently 63% of residents use ACH. There is no charge for ACH and the assessment amount is withdrawn from your account on the 15th of each month.

Motion to approve the Treasurer's report as prepared by staff: Wayne Dubin / Ben Boyd 8/0/1

Clubhouse Director's Report

There were 4 clubhouse rentals in the month of November.

A great big thank you to our social committee for putting up the Christmas decorations in the clubhouse. Working hard along with me were Pat Sheneman, Kathleen Creighton, Dawn Moll, Anita Holub, Vonda Schure and Amy Eckert. The clubhouse looks very festive.

Bunco night was held on Monday, December 4th at 6:30 pm at the clubhouse. Hostesses for that night were Amy Eckert, Janice Stojetz and Carol Mason who brought food with a Christmas theme. A good time was had by all. Our next Bunco night will be on Tuesday, January 2". New players are invited.

A children's Christmas party was held on Saturday, December 2nd from noon to 2 pm. We had a great turn-out with 20 children and 22 adults. There were pizza and drinks, snacks, crafts and games. Santa Claus was there to greet all the children and hand out gifts. A special thank you to our social committee and Ben Boyd for bringing Christmas cheer to our Acacia residents.

An adult Holiday Party is being planned for Friday, December 29 at 7:00 pm in the clubhouse. Please come out to celebrate the holiday season with your friends and neighbors in Acacia. Everyone is asked to bring a dish to share and your own beverage. Adults only, please.

Recreation Director's Report

No activity this month.

Wayne tells Melissa that the heater in the pump house is broken and we need a new one to heat the space so that the fire extinguishers and other pipes don't freeze.

Motion to replaced pump room heater at a cost not-to-exceed \$2,800.00 Melissa Allison / Ben Boyd 8/0/1

Grounds Director's Report

Improvements continue. Christmas garland was placed on the entrance signs. Christmas trees were planted in the islands. Many compliments about them. Thank you Liz for picking them out. Black mulch which highlights the plants was put in front of the signs. Additional plants are coming in the Spring.

The crew has been kept on longer this year because the leaves were falling later than usual.

Motion to approve the addition of rubber blades on the Schwartz snow removal machines at a cost of \$1,300 per machine (includes installation and removal.) Bill King / Ben Boyd 8/0/1

The Board recognizes that using rubber blades for snow removal may not get as clean a sweep as a metal blade, but it also won't damage the driveways as the metal is doing today. Due to the significant cost savings anticipated for driveway resealing, the Board decided this was an acceptable outcome.

Townhome Maintenance Directors Report

THM crew accomplished its goal of getting 55 townhomes in this year's paint cycle ready by October 18, 2023. Painting and coping have been completed. I will bring for Board Approval the contracts for painting, coping, resealing, and driveway replacement at our January Board Meeting. Garage panels that were damaged should be scheduled for replacement in December.

The townhome maintenance meeting on 12/07/23 went well. Below is a summary, which will also be available on the Acacia website.

Review of Acacia Townhomes

- Acacia has 387 townhomes that the THM crew is responsible for
- Review of Acacia Townhomes (#'s and clusters)
- THM crew's main responsibilities and review of crew activities
- 4th Year Paint Cycle
- THM Supervisor's Responsibilities
- THM Director's Responsibilities

What I learned in 2023 and what I see for the Future

- Residents service request frustration
- Review ground crew responsibilities when cleaning up around the 387 units.
- #1 priority of the THM crew
- Residents' frustration discussed.
- Discuss Acacia's response to resident frustration.

Wood Purchase 2023

- 383 (4'x8'x3/8") pieces of plywood why so many?
- The solution to wood rot is to cover stucco and wood walls with vinyl siding. Acacia has some townhomes with siding (pictures available in the office)
- A committee is being formed to determine feasibility. It is open to any resident who would like to sit on this committee along with Ben Boyd and Jack Brandush.
- Driveway resealing for residents happens every other year. Why?
 Steel blades on snow removal equipment caused tar to be scrapped off (pictures available in the office). Rubber guards will be used, extending the life of a driveway and saving Acacia \$27,000 for each year we do not reseal.

Acacia Assessments 2024

- Breakout of the \$260 monthly assessment

The entire presentation is available to look at in the Acacia office.

Please send any questions to me at bboyd503@gmail.com. Merry Christmas to all and a Happy New Year!

A reminder for decorations on townhomes

Holiday decorations may be placed on townhomes or surroundings no earlier than 30 days prior to the holiday and must be completely removed no later than 7 days after the holiday, except Christmas decorations, which may remain in place until February 1.

Welcome Baskets Report

Two welcome baskets were delivered this month at 47 Elmwood Ct. and 10 Sweetwood Ct. The new residents were very appreciative of the basket and being welcomed into our community. Our amenities and guidelines were explained, and their questions were answered. Remember, if you have recently moved to Acacia, please contact the office for a welcome basket visit.

Office Report

The 2022 Audit is expected to be completed by the end of the month.

Old Business

Joe asks Jen Cione for an update on the election. Jen responds that she has reached out to several people to form a committee. The group discusses an alternate place for vote counting this year as the 4-Season room has poor lighting and acoustics.

New Business

Wayne summarizes and requests a vote on the budget. Amy asks questions about the reserve funding and the Recreational Facilities income. Amy confirms that we are not transferring into reserves on a monthly basis. Wayne responds that we will add approximately \$26,000 to the reserves after paying for all identified expenses, including coping. Amy is concerned that we will need to pay taxes on the facility rental income; further if we are making that much money then we are charging our residents too much. Amy would like to look into it because she thinks it is not understandable. Melissa explains that we have always had these line items on our budget and, in fact, the Pool Income line item is the same as last year. Peggy Rose explains that the income is before the expenses of the attendant and other items that are then deducted to reduce our net income. Ultimately, we do not profit from our facility rentals.

Motion to approve the proposed 2024 budget. Ben Boyd / Wayne Dubin 8/1/0

ACACIA TIMES - December 2023

Motion to close Open Session – Ben Boyd / Peggy Rose Kwiatek

Motion to adjourn from Executive session back to General session - Ben Boyd / Peggy Rose Kwiatek.

The Board during Executive Session voted to give our four Administrative/Operations employees a cost of living raise effective January 1, 2024. The Board further voted to give the Administrative/Operations employees Christmas bonuses as has been the practice of the Board for several years. However, the Board broke with past practice and gave out bonuses at a reduced rate from past practice."

Motion to adjourn the General Session - Peggy Rose Kwiatek / Melissa Allison.
