ACACIA ASSOCIATION RULES AND REGULATIONS

Use of a dumpster or POD unit requires a permit from the Village of Indian Head Park and a copy of the permit must be dropped off to the Acacia office. Dumpster or storage POD must be placed on wood so that it does not damage the driveway.

Village of Indian Head Park Animal Ordinance has the following requirements for animals: Failure to follow Village guidelines may result in fines and/or impounding by village. It is also against Acacia Rules to have an animal outside without a leash and all animal waste must be picked up. Failure to do so will result in a fine from Acacia.

- All dogs and cats must be registered with the village – there is no cost to register. Proof of rabies vaccination is required for registration.
- No dog or cat is allowed to be outside without a collar and leash (not longer than 8 feet) at any time.
- Animal waste must be picked up and disposed of.
- No more than 4 animals are allowed in any home.

The Association does not insure your townhome. Owners must purchase an individual homeowner's insurance policy on their townhome (not a condominium or renters' policy). A copy of the Declarations Page of your policy should be submitted to the Acacia Office yearly.

HOW YOUR ASSESSMENT WORKS FOR YOU

The Association is a non-profit corporation owned by each townhome owner in Acacia. The Acacia Association owns and maintains the common grounds, Clubhouse and recreational facilities, and is responsible for exterior maintenance of your townhome. Such maintenance includes lawn care, driveway snow removal, trash and recyclables pick-up, exterior painting, driveway maintenance and other maintenance as required of the common areas.

Your assessment pays for all the normal maintenance, operating and general administrative costs of the Association. The Board of Directors prepares an operating budget each year and distributes it to owners prior to the Annual Meeting. Assessments are due and payable to The Acacia Association on the first of every month. Assessments are the responsibility of the owner. To protect the interests of all owners and the Association, the By-Laws and Protective Covenants provide that failure to pay assessments on time may result in late fees and interest charges along with the suspension of member privileges and services.

ACACIA ASSOCIATION RULES AND REGULATIONS

All streets in Acacia are public and therefore plowed and maintained by the Village of Indian Head Park. Cul-de-sac parking areas are owned and maintained by the Association.

Acacia is a Planned Unit Development, or PUD, operating under a set of Protective Covenants and By-Laws developed for the common good. Thus, homeowners are under certain restrictions as to what exterior structural and landscaping additions and/or changes they can make to their townhomes. ACACIA ASSOCIATION RULES AND REGULATIONS

No patio, deck, exterior modification or replacement or major landscaping work can be started until this Committee has given approval. cul-de-sacs prohibiting parking on the streets after 2 inches of snowfall until the snow removal has been completed. All vehicles illegally parked will be towed at owners' expense per Village Ordinance.

2. Parking will be permitted on the private parking areas in the cul-de-sacs. No parking will be permitted in those areas at the end of Buttonwood, Nacona and Pembroke, as that is where the snow must be pushed.
3. The Village procedure has been as follows:
 - **Open the main arteries (Cascade and Acacia Drive)**
 - **Open the cul-de-sacs**
 - **Clean the main arteries curb to curb**
 - **Clean cul-de-sacs curb to curb**
4. The following procedure will be followed by our contractor in plowing the driveways and parking areas when the designated Acacia Association official calls out the service after an average of 3" of snow has fallen, depending on conditions and forecasts:
 - After the village equipment has cleared a main artery or cul-de-sac all driveways in this area will be plowed. If there are parked cars in the driveway ***it will not be plowed.***
 - A log sheet showing time and areas plowed will be kept each day. We will rotate areas plowed first as much as possible (Village equipment permitting), starting and finishing in different areas until all driveways are cleared.
 - Space in the Clubhouse parking area will be cleared to provide parking space for cars while driveways are being plowed. Please Park along the north side of Clubhouse lot – closest to Cascade Dr.
 - After all driveways are cleared the parking areas in the cul-de-sacs will be plowed. Please move your car at this time so it will not be plowed in.
